

End User Software License Agreement

Please read this End User Software License Agreement (“Agreement”) carefully before using the Software. This is a legally binding agreement between you (“you” or “Licensee”) and APPLIGENT INC. d/b/a Appligent Document Solutions (“Appligent”). By using any portion of the Software, you accept all terms and conditions of this Agreement. If you have not read the Agreement, do not understand or agree to be bound by the Agreement, or are not able to consent to be bound by the Agreement (e.g., if you are not old enough to enter into a binding legal contract), do not use the Software.

1. License Grant: Subject to the terms and conditions of this Agreement, Appligent grants you a limited, revocable, personal, perpetual, non-exclusive, non-transferrable (except as provided in Section 3 below), non-assignable (except as provided in Section 3 below), non-sublicensable license to access and use, solely for your internal business purposes, ONE copy of the object code of the enclosed software (“Software”) on a SINGLE computer. If the Software includes versions for different platforms (e.g., Macintosh and Windows versions), you are only licensed to access and use the Software on ONE platform. The license granted under this Section 1 shall be referred to as the “License.”

If the Software is configured for network use and you have purchased the required number of Licenses, you may install and use the Software on a SINGLE file server for use on a SINGLE local area network for either, but not both, of the following purposes: (1) installation onto each hard disk or other storage medium in the computers for which you have purchased a License; or (2) use of the Software over such network, provided that the number of different computers on which the Software may be accessed and used on such network does not exceed the number of computers for which you have purchased a License.

You may make one backup copy of the Software for disaster recovery purposes only, provided your backup is not installed or used on any computer. You may not copy the Software to use for development, testing, or staging purposes.

Updates to the Software may be licensed to you by Appligent with additional or different terms.

2. Restrictions: You may not, and may not allow any third party to, resell, transfer (except as provided in Section 3 below), rent or lease the Software without the specific agreement of Appligent. You may not, and may not allow any third party to, reverse engineer, decompile, disassemble or otherwise reduce the Software to any human perceivable form. You shall not remove or alter any copyright notice or any other notices that appear on the Software. You may not, and may not allow any third party to, modify, create derivative works based upon, adapt, translate, rent, lease, make available on a subscription or SaaS basis or loan the Software or any part thereof. SaaS and Subscription based licensing may be available under a separate OEM agreement. You may not use the Software for any timesharing or service bureau purposes or otherwise use or allow the use of the Software for the benefit of any third party (including by way of multiplexing or pooling) other than as expressly permitted by Appligent in writing. You shall not generate income from any third party’s use of the Software.

You shall use best efforts to safeguard the Software so as to insure that no unauthorized party has access to the Software and that no party makes any unauthorized copy of the Software. You shall use best efforts to assist Appligent in identifying and preventing any unauthorized use, copying, or disclosure of Software or any portions thereof or any of the algorithms or the logic contained in the Software. You shall advise Appligent immediately in the event you learn, or have reason to believe, that any party to whom you have given access to the Software has violated, or intends to violate, the terms of this Agreement, and you will cooperate with Appligent in seeking injunctive or other equitable relief against any such person.

You shall be solely responsible to Appligent for the observance and compliance with all terms and conditions of this Agreement by your employees, contractors, service providers, agents and any other third party who has been permitted access to the Software as a result of your action or inaction, whether or not such party is actually permitted to have such access under the terms of this Agreement.

For the avoidance of doubt, no license is granted in the source code of the Software. Except as otherwise expressly permitted under this Agreement, you shall not have any rights to use any Software, in whole or in part, for any other use or purpose whatsoever and any right not expressly granted to you under the terms of this Agreement shall be reserved to Appligent and its suppliers.

3. Transfer and Assignment: You may transfer the Software, and assign your License to the Software, with a copy of this Agreement and all written materials to another party only on a permanent basis and only if the other party accepts the complete terms and conditions of this Agreement. Appligent must be notified of the intended transfer in writing, at least thirty (30) days prior to the transfer. Appligent may assign or delegate any right, interest, obligation, or duty under this Agreement upon notice to you. Any purported transfer or assignment that does not comply with this section shall be void and ineffective.

4. **Termination:** If you breach this Agreement, the License terminates automatically and immediately and you must destroy or return to Appligent all your copies of the Software.
5. **Limited Warranty:** Appligent warrants the media on which the Software is provided to be free from defects in materials under normal use for a period of ninety (90) days from the date of delivery as evidenced by your purchase receipt. EXCEPT AS EXPRESSLY WARRANTED HEREIN, THE SOFTWARE IS PROVIDED "AS IS" WITHOUT ANY WARRANTY OF ANY KIND, EITHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING BUT NOT LIMITED TO WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY, DESIGN, OR FITNESS FOR A PARTICULAR PURPOSE, OR WARRANTIES ARISING FROM A PARTICULAR COURSE OF DEALING, USAGE, OR TRADE PRACTICE, WITH REGARD TO THE SOFTWARE AND ACCOMPANYING DOCUMENTATION. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY APPLIGENT SHALL CREATE A WARRANTY AND YOU MAY NOT RELY UPON SUCH INFORMATION OR ADVICE. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE SOFTWARE SHALL BE WITH YOU.

Except as expressly stated herein, this Agreement does not grant you any rights in the Software or any copies, modifications, enhancements, and derivative works of the Software. You agree you will not take any action that jeopardizes Appligent's proprietary rights or acquire any right in the Software, including any actions in violation of Section 2 (Restrictions). You hereby assign and shall assign any rights you have or may have in any modifications, enhancements, and derivative works of the Software that are made by you, whether such modifications, enhancements, and derivative works of the Software are permitted by this Agreement or not. If required, you specifically agree that you will obtain, at Appligent's reasonable request, the execution of any instrument that may be appropriate to assign these rights to Appligent or perfect these rights in Appligent's name. Appligent's rights to modifications and enhancements of the Software are not an implied license to you to make any modifications or enhancements to the Software.
